FOREWORD

We shall never forget the formative years which we have spent at Handley. These years have served to prepare us for the responsibilities of adulthood. They have instilled in each of us a sense of freedom and civic duty and have aided us in the development of our talents and intellects. Soon our paths will divide, for each of us must travel on our separate ways. It is for this reason that we, the class of 1962, offer this Handlian in the hope that with its collection of happenings and events, we may keep forever alive in our minds the wonderful spirit of which we have been so privileged to be a part.

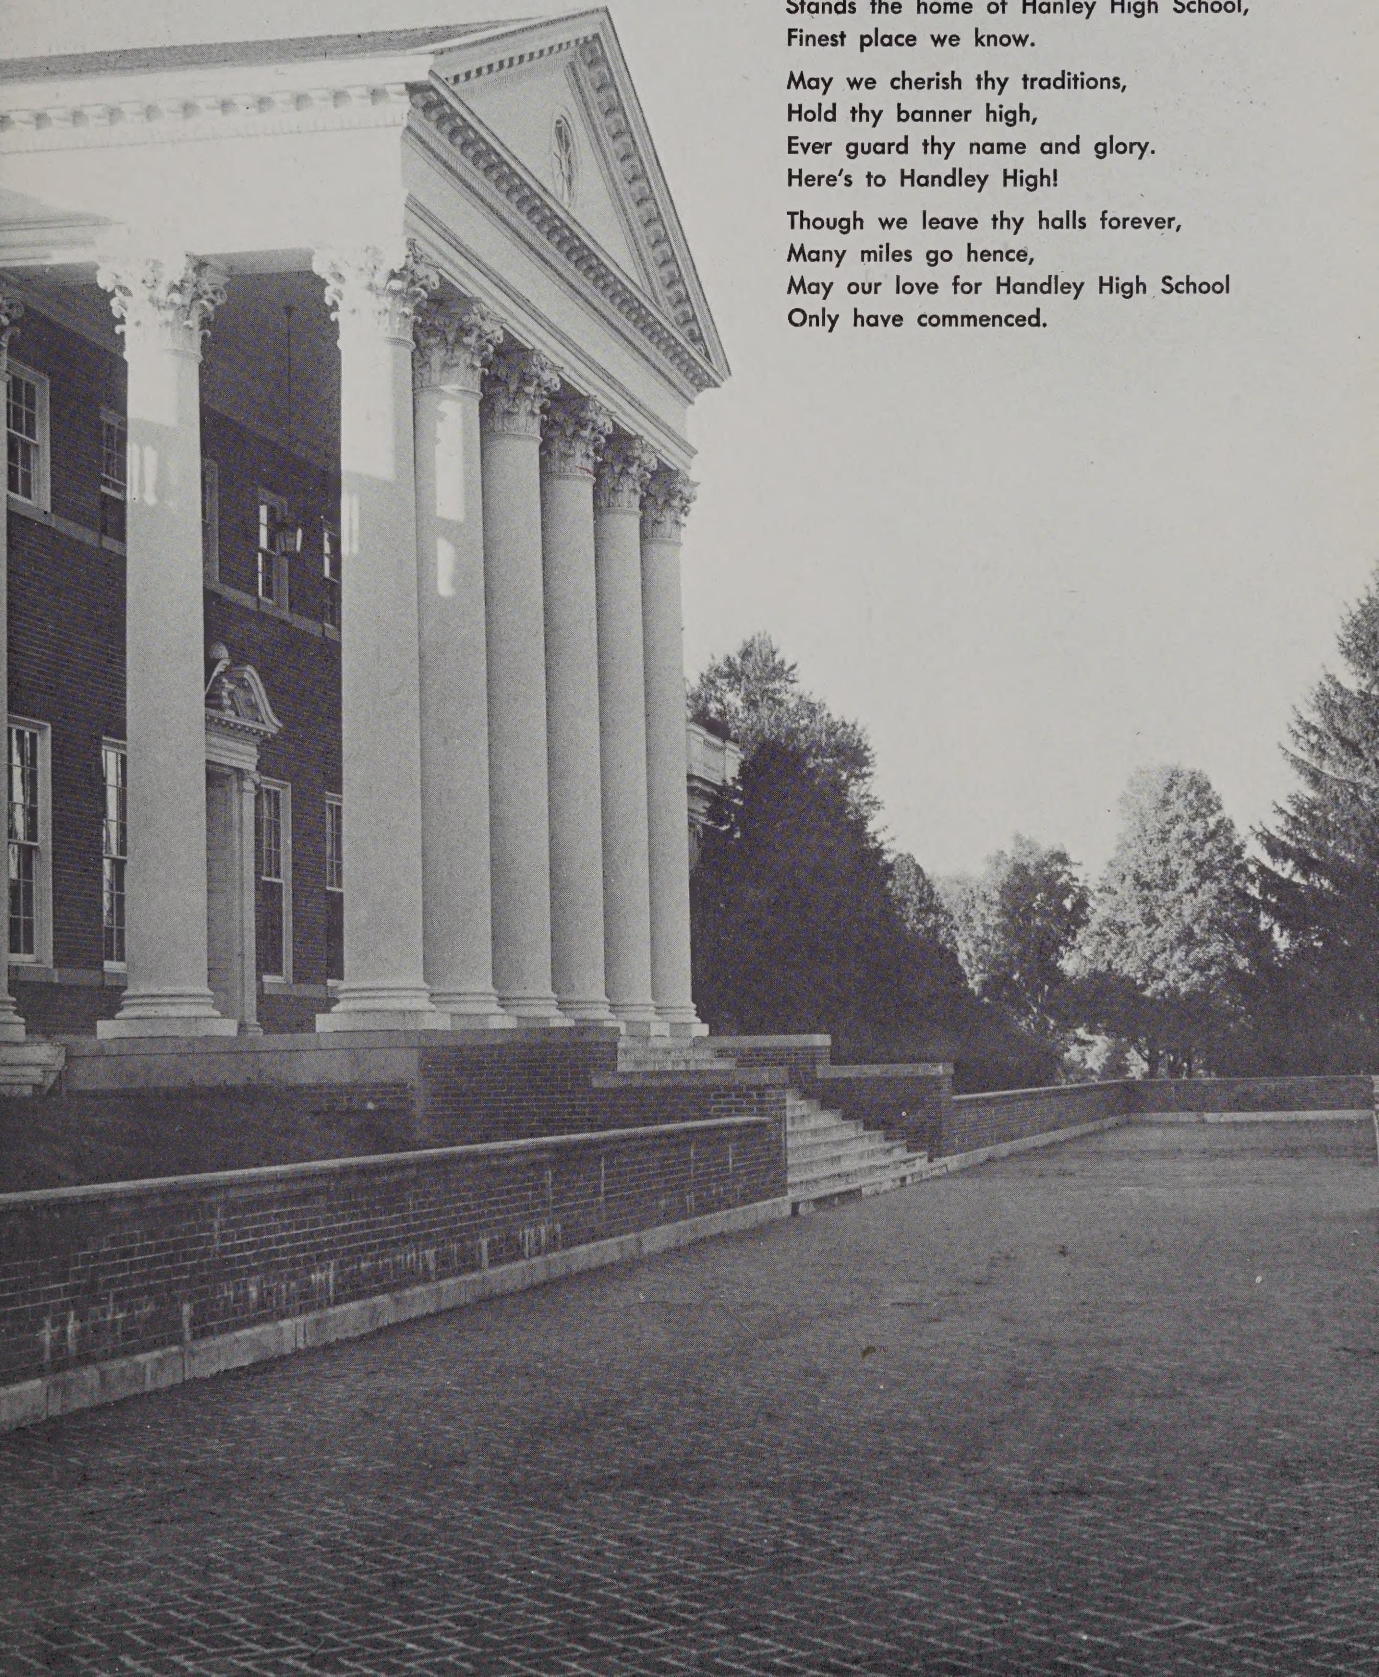
ALMA MATER

In the Shenandoah Valley,
'Neath the sun's warm glow
Stands the home of Hanley High School,
Finest place we know.

May we cherish thy traditions,
Hold thy banner high,
Ever guard thy name and glory.
Here's to Handley High!

Though we leave thy halls forever,
Many miles go hence,
May our love for Handley High School
Only have commenced.



DEDICATION

Since 1920, a member of the Handley faculty has devoted herself to the instructions of the pupils in all the Winchester Public Schools. She has played an effective part in the production of many of the special events undertaken by the schools. Our Apple Blossom Pageant and Christmas Concert have been enhanced by her work.

However our love for her is really inspired by the quiet, efficient manner in which she has given so freely of her talent and her time. Her advice has contributed to the success of our class activities and even made our 1962 Handlian more attractive. We admire her for her devotion to her work, for her talent which she so generously shares with others, and for the unselfish service she has given to the Public Schools of Winchester. We offer our heart - felt thanks for her unceasing interest and help.

Thus, it is with a sense of respect and appreciation that we dedicate our yearbook, The 1962 Handlian, to Miss Katherine Pannill.

To the Class of 1962:

As you finish your work here at Handley and turn to new areas of interest and activity, I extend to each of you my thanks and good wishes: thanks for your fine contribution to the morale and achievements of the school; good wishes for the greater challenges that lie ahead.

"Be noble, and the nobleness that lies
In other men, sleeping, but never dead,
Will rise in majesty to meet thy own."

ADMINISTRATION

Mrs. Gertrude R. Peery, as our guidance counselor, devotes much of her valuable time to preparing Handley Students for their respective careers. Her sincere interest in the individual student encourages each to do his best. She is always ready to give a cheerful smile and lend a helping hand. We are indebted to Mrs. Peery for her meritorious services which have so greatly influenced our lives.

MRS. GERTRUDE R. PEERY

Sincere, understanding, and a staunch supporter of all school activities Mr. Fry, our assistant principal, is an indispensable friend to each Handley student. The unfailing patience and genuine interest that he has shown in our problems have assisted us in overcoming many obstacles. His high ideals and congeniality command our deepest respect and admiration. School life at Handley would not be complete without his inspiration and encouragement.

IN MEMORIAM

PAUL W. SYBERT

We have surely missed from our faculty the influence of Mr. Paul Sybert who died on March 8, 1961.

For twenty-five years Mr. Sybert taught Industrial Arts at Handley High School. He was instrumental in organizing our metal work shop and through the years did an outstanding job in this department.

In addition, he was an active participant in other school activities as well as a dependable and capable instructor.

Therefore, we hope, through this page, to express to some degree our sincere appreciation for the fine example set by Mr. Sybert and for the many services he endowed to Handley.

MISS ELOISE STRADER, MR. RALPH SHERRARD

Miss Strader, your help and understanding through the years have meant a great deal to us. You have been not only our advisor, but our friend. Only one as young-at-heart as yourself could have taken so active a part in all our class projects, been so patient, and so quick to smile. Working side by side with you, we have come to know and love you. Thank you, Miss Strader, for putting your trust in us.

Through even our greatest moments of difficulty, Mr. Sherrard, your quick wit and humor have boosted our spirits. We have always felt that you were "one of us". Certainly you have been a true friend to all. Whenever we needed your help and guidance, you were there. You listened to our ideas and advised us accordingly. Thank you for believing in us and all that we have undertaken. We shall never forget you or your faith in us.

One of the most important efforts of the Junior Class is the enormous task of maintaining the Junior Stand at all home football games. Industrious students prepare the food, invade the crowd with refreshments, and after the game pick up all paper left by the fans. Their salesmanship and hard work earn money for the class treasury which is used for all class projects. Each student not only enjoys participating in this activity, but also is able to fulfill an obligation to his class. Our heartiest thanks go to the Juniors of 1961 for their diligent work!

Laughter and Success!! These are two words which certainly describe our Junior play, "This Way To Heaven". Memories

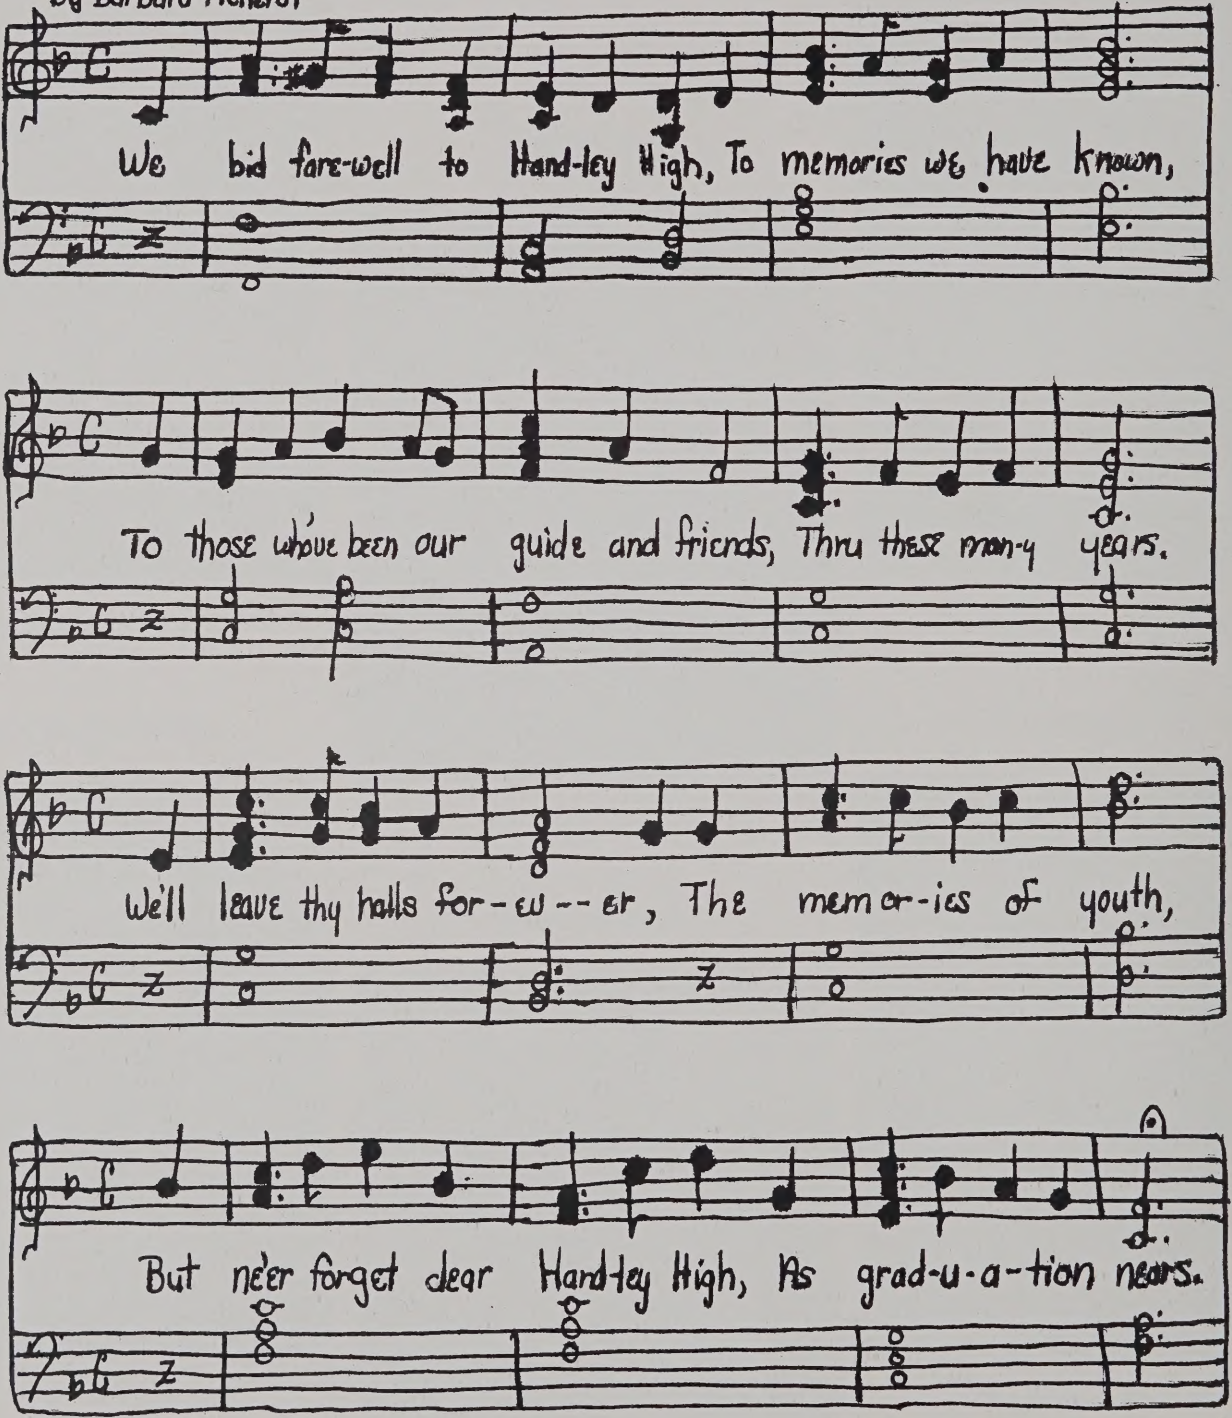
Words and music
by Barbara Pickerol



We bid fare-well to Hand-ley High, To memories we have known,
To those who've been our guide and friends, Thru these man-y years.
We'll leave thy halls for-ev--er, The mem-or-ies of youth,
But ne'er forget dear Hand-ley High, As grad-u-a-tion nears.

For now our work is all complete,
Our days at Handley gone;
Yet deep within our hearts will be
Memories of you.

We can't forget thy spacious grounds,
The portico we love;
But more than all, we'll ne'er forget,
The Class of Sixty-Two.

SENIOR CLASS POEM

THE FORGE-MAN

By Paul Haldeman

Much time has passed, but still he stands the same,
Although a little weathered, ever stern
And stately; for his spirit has not changed
And never will, as staunch he keeps about
His job of molding people. But each year
He somehow seems to grow a little sad
And wearied from his all-important task
And solemn duty; while he sees all those,
Whose plastic minds and lives by him were poured,
Become more hard and cast, and then pass on.

Their debt to that skilled forge-man strong is more
Than can be paid, is more than words can say,
Is more than youthful minds can sense, and thus
Cannot be fully felt nor paid 'til some
Age hence: when lives are all lived out and think
Again of where they once began; to where
They were first heated, tempered, and then cooled,
To stand the breaking stress of life; to where
They were slow mixed with joy and sadness, praise
And scorn, and things to laugh at, and to be
Borne, them to make more malleable in
Their strength, to stand defeat as equal well
As victory; to where it was at last
They were machined and tooled with knowledge, that
Might be used to guide them, once they left
The shop. Now, one last time the forge-man proud
Surveys the finished place his hands have made,
And sadly sees it cross the threshold, so
To make its way into the great, wide world.

We offer many thanks to the business staffs for a job well done. Without the aid of Nancy and Anne Clare, their advisor, Miss Snider, and their very cooperative staffs, our Handlian would never have been completed. Much can be said for the fine work of each of the members of the typing, advertising, and circulation staffs.

It hardly seems adequate to merely express our gratitude for the many long hours that have culminated in the production of this yearbook.

CLASS OF 1963

President	Bill Schenck
Vice-President	Sam Heltzel
Secretary	Linda Myers
Sponsors	Mrs. Bonnett Dr. Bushong

Under the real leadership exhibited by Bill, Sam, and Linda the Class of 1963 has successfully completed an outstanding year.

At the year's beginning, the elements seemed against the class as rain and raw weather kept many of the crowds from the football games where the Junior Stand was diligently at work. However, they were undaunted and under Gretchen and Steve did a fine job.

Not to be found resting on its laurels, the class soon undertook the selection and presentation of the annual Junior Play.

With fervor and enthusiasm they worked hard to make their play one of the best.

The Junior-Senior Prom was their next big undertaking and they carried it out admirably. The gym was completely transformed and the Senior Class well entertained.

With willing assistance from its sponsors, Mrs. Bonnett and Dr. Bushong, the Class of 1963 has had a gratifying year, rewarding not only to themselves, but also to the many people with whom they have come in contact through their projects.

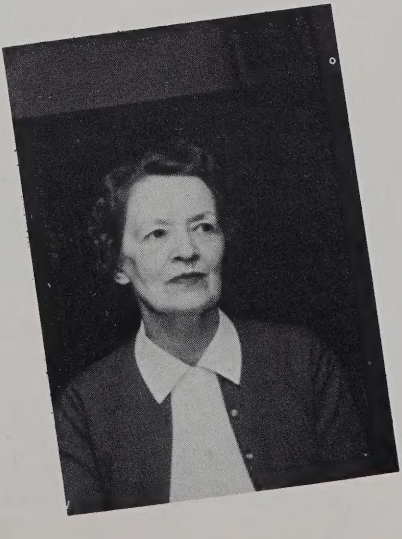
MISS SNIDER
Treasurer



The Executive Council is composed of a representative from each homeroom, the presidents and chairmen of all school organizations, presidents of the eighth through the twelfth grades, and the secretaries of the ninth through the twelfth grades. It is this governing body which plans, supervises, and supports many of the school's activities. Handley's student government is a truly fine example of democracy in action.

The Booster Club is certainly one of our busiest organizations at Handley. Summer vacations become solicitation days for ads that will appear in football programs in the fall.

Early in the school year the members begin their activities with the operation of the Second-Hand Book Store.

Then football season finds the girls selling programs at all home games in an effort to assist the team financially. As the year progresses, the Club members sponsor assembly programs and serve as guides and messengers on Parent's Night and College Day.

With the approach of Christmas, a "mail box" is provided for the cards of the student body.

In the spring the Booster Club sponsors a spelling bee and also gives cash prizes to the winners of the Creative Writing Contest.

Later in the school year the Club awards a silver loving cup to the homeroom that has presented the best assembly during the past session.

In addition to these many projects, the Booster Club works diligently to promote interest in all school activities by means of the weekly publication of the Junior Evening Star.

Thus, through its ceaseless efforts the Booster Club has indeed been successful in keeping the spirit of Handley foremost in the minds of her students.

BOOSTERS AT WORK

"Let's really sell those programs today, girls!"

"Want to buy a second-hand book?"

"We'll deliver the Christmas mail."

"They'll really enjoy this article!"

"I wonder which homeroom number will be engraved here this year."

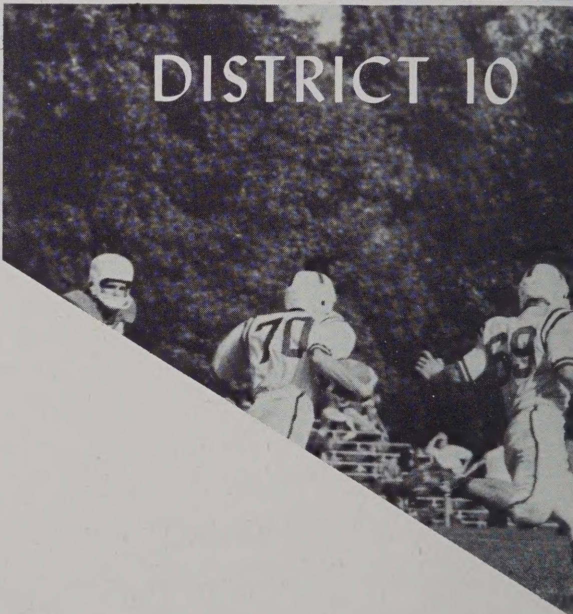
DISTRICT 10



HARRISONBURG

The opening game of the season with the Harrisonburg "Blue Streaks" turned into a 13-6 victory for host Harrisonburg, due to a few costly Handley errors. In the last few minutes of the game, Woody Harper, taking a punt from the opponent, set sail for the Judges' only TD.

WARREN COUNTY

On a very warm fall day, Handley played host to Warren County. The Judges started off with a touchdown in the first few minutes of the game and scored regularly thereafter. Several Judges shared in the honors of the day. The final score stood at 47-6 with another Handley victory.

JAMES MONROE

On Friday night, September 29th, the Handley Judges traveled to Fredericksburg to meet the James Monroe Jackets. Handley's excellent defense held back the strong drive of the Jackets and the exciting game ended in a scoreless tie.

GEORGE MASON

Our boys fought hard to win the all important Homecoming Game this year. Though the competition was rough, our team pushed out in front at the very beginning and stayed there, allowing the Mustangs to score only three times. The final score was 31-20, another fine victory for the Handley Judges.

WESTMINSTER

For the first time the Handley Judges walked off the home field owning a win of 26-9 over the Westminster Owls. This was one of Handley's top-notch games when it comes to action and skillful playing, especially high-lighted by Good's interceptions and Glover's 97-yard dash.

FOOTBALL SEASON

BROADWAY

Although there was a heavy rain Saturday afternoon the Judges were not hindered as they wrapped up a 20-0 victory over Broadway. The TD's were made by Jimmy Anderson, Gary Barley, and Charles Glover. Due to such a strong Handley line-up, Broadway was unable to gain any ground of its own. Thus, the victorious Judges made a fine showing on Parent's Day.

HERNDON

Although the Judges couldn't crack the Herndon line for the first period and much of the time afterwards, they were able to gain the lead by long runs. Herndon opened a scoring drive, but couldn't break the Judges' lead. With this 32-7 win Handley moved within one game of the Northwestern District Championship.

LOUDOUN COUNTY

Handley clinches the Northwestern District Championship with their victory over Loudoun County. Charlie Swartz, Jimmy Anderson, and Denny Hinkle were stars of this game, each bringing the pigskin across for a TD. The Judges' great offense and defense gave them a 19-0 win over the Raiders.

JOHN MOSBY

The Judges electrified spectators by defeating the Mosby Rangers 34-7. Aided by the best blocking Handley has ever known the Judges are now powerhousing their way to the end of the 1961 season with record to be proud of!

MARTINSBURG

With a 20-0 victory over their traditional rivals, the Martinsburg Bulldogs, the Handley Judges brought to a close a fine record of eight wins against one loss and a tie. The Judges, dominating the game all the way, prevented the Bulldogs from crossing their goal, even once. The spirits of the team were high as they carried their coach off the field to celebrate the end of a great season.

BASKETBALL SEASON

Much hard work went into the making of this fine basketball season. The members of the team devoted much of their time to basketball from early November through February. The high scorers, ball handlers, and the whole team's great defensive ability produced fine performances throughout the entire season. Competent coaching and teamwork, coupled with the great support of the fans, and the invaluable "red shirts" contributed to the Judges' successful season. Winchester can be proud of this great team and their excellent season.

In the overall record Handley won sixteen games and lost four. The team was unbeaten in the district, winning all eight of the games. Handley scored a total of 1284 points and our opponents scored 866 points.

The high scorers of the season were Philip Newcome with 382 points, Mike Kelly with 257 points, Woody Harper with 194 points, and Richard Wolfe with 140 points. Philip Newcome is the second player in Handley basketball history to have scored over 1000 points during his four years on the team.

The Judges came out of the semi-finals in district championship with a win of 61 to 48 over Herndon. After a hard-fought contest in the championship game with George Mason, the tide turned for the Judges when Phil Newcome made a spectacular 40 foot shot just as the horn blew at the end of the third quarter. The team picked up their pace, and came out victorious with a score of 48 to 38 over George Mason. Congratulations JUDGES! NORTHWESTERN DISTRICT CHAMPIONS.

In the opening Triangular Meet, Handley was the winner, with a large margin, over Charles Town and Loudoun County. The Handley Invitational Meet put our team down on record as the highest-scoring team of that Meet. Handley scored another victory over Broadway and Montevideo in the following Triangular Meet. The track team, in the next Triangular Meet with Herndon and George Mason, came through with a cheering victory. At the District Meet, Handley placed first in an exciting meet. The 880 team of Harper, Hinkle, Wolfe, and Glover finished second in school record-breaking time. Polhamus placed first; Glass, fourth; O'Hara, third; Hinkle, third and fifth; and Adams, fourth in their respective events.

GIRLS' SPORTS

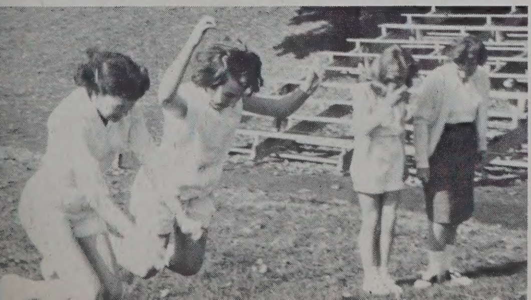
GIRLS' ATHLETIC DIRECTORS AND ASSISTANTS

Mrs. Bowers, Mrs. Jack

Two very capable directors, Mrs. Jack and Mrs. Bowers, head up the athletic program for Handley girls. Not only do they serve as instructors in the different sports, but they also sponsor the Girls' Monogram Club and Varsity Cheerleaders. Under their fine leadership, the girls are able to both learn and benefit much from the athletic program.

Serving with the directors are girls selected from the different classes to assist them. These girls do a splendid job of helping with the classes, and deserve much appreciation for a duty well done.

ROW ONE: Elise Hortenstine, Mary Jo Maddex, Cheryl Corrigan. ROW TWO: Ginger Sibert, Patsy Dunn, Sharon Grim.



GIRLS' MONOGRAM CLUB

Those girls who are interested in sports, and have acquired 500 points by participation in the intramural athletic program are awarded their letters and asked to become members of the Girls' Monogram Club. The club works to create interest in the girls' intramural program, and supports the Varsity teams by promoting good sportsmanship at all games, presenting amusing skits at pep assemblies, helping with Homecoming and Parents' Day activities, and assisting the Boys' Monogram Club as ushers at home basketball games.

Girls from the ninth grade through the twelfth are eligible to participate in hockey. They hold practices after school in the fall to prepare for the tournaments. These are competitive games in which the girls try to bring "honor" to their respective classes by winning the tournaments. There is always plenty of enthusiasm and desire to be victorious.

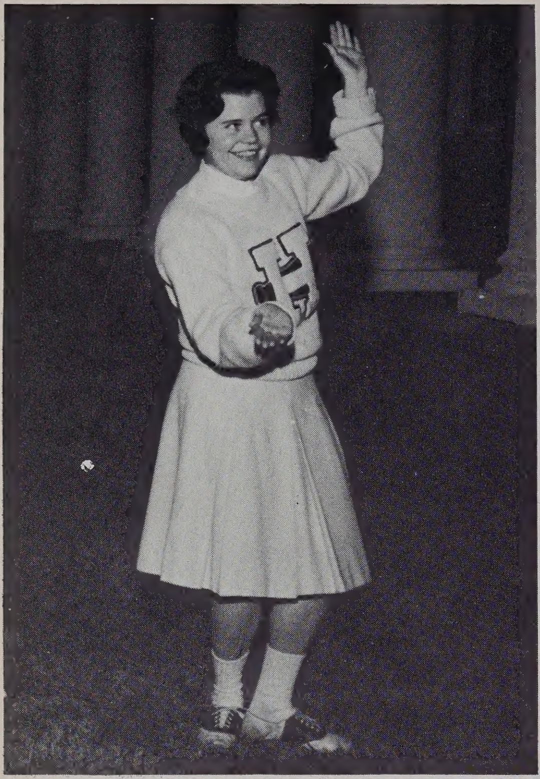
ARCHERY

During the numerous Indian summer days of the past fall, girls from the 9-12 grades enjoyed the fine weather by learning the techniques of archery. Then they competed to see whose marksmanship was best. The first place was captured by Ellen Jones, Sandra Ritter placed second, and Sally Bush third.

VARSITY



SALLY BELL

Let's hear three cheers for the greatest cheerleaders anywhere. We can really brag about these girls who spend endless hours working to boost our pep enthusiasm, and school spirit at games and special pep assemblies. Many times this year they've cheered our team on to victory. What would we do without them?

MAYOR CLAUDE B. SMALTS
MISS PATRICIA STROSNIDER

1961 HOMECOMING QUEEN

This year the title of Homecoming Queen was held by Miss Patricia Strosnider. Miss Strosnider, resplendent in a bright green wool suit, added a flash of color and loveliness to the crisp fall day. Patsy was escorted to the game by Bill Riley, and at half time, to her coronation by Paul Haldeman, President of the General Organization. The glittering tiara was placed on her head by the honorable Mayor Claude B. Smalts. After the half-time honors were completed, Patsy returned to the stands where she watched a most exciting and eventful game.

**With school *behind* you . . .
what's *ahead?***

College, perhaps? Wonderful! A job? Wonderful, too, if it's the right one—with opportunities to progress and learn as well as earn. There are many such jobs at C&P, waiting for girls like you. In a telephone job, you not only start with good pay but are specially trained to make more. Raises and advancements are frequent. Surroundings are pleasant—people are friendly—and your work is never dull. Why not make your first job a telephone job—one that can lead to a happy, rewarding career?

Dear Readers:

We the HANDLIAN staff, sincerely hope that through the pages of the 1962 HANDLIAN you have recaptured the memories of a wonderful year gone by; and that it will always remain a cherished memento in the years to come.

It is only fitting that we should here recognize all the people at Handley who made the production of this yearbook possible. Our deepest thanks go to our advisors, Dr. Quarles and Miss Snider, and to the other members of the faculty. Their willing help and cooperation have been indispensable. A vote of thanks also must go to the members of the Class of '62 for their support and assistance in our tremendous task.

With a heavy heart we end this book and our high school years. We who have worked on the 1962 HANDLIAN leave a part of ourselves in this yearbook. It was ours for almost a year. Now it belongs to you.

Sincerely,

Luciano Crusi
